# A MESSAGE FROM THE HEAD OF JUNIOR SCHOOL

Assalamu Alaykum

Dearest Junior School parents and carers

## **Welcome to Term 1, 2023!**

I trust that you and your family have been able to enjoy some well-earned rest over the school holiday break. The staff are very much looking forward to welcoming you back to Bellfield College Junior School. A special welcome to the many new families that joined us this week. We pray for a smooth transition as you settle into the Bellfield community.

## **Upcoming Events**

The start of the year is always a busy time, with lots of information shared with students and families.

Next **Thursday, 9<sup>th</sup> February**, we will be celebrating the Birth of Lady Fatima and holding our annual Hijab ceremony for Year 4 girls. Parents are welcome to attend.

Student Representative Council applications are now open. If you would like to nominate your child for the SRC, please complete and return the note provided by your child's teacher by **Friday 10<sup>th</sup> February**.

Please also ensure you save the date for **Thursday 16th February 6.00pm** for our very important **Parent Information Evening**. Please join us to meet your child's teacher and receive important information about your child's education at Bellfield.

## **Who do I contact?**

For most matters related to your child's education and pastoral care, the **classroom teacher** will be your first port of call. Teacher's contact details have been included in this newsletter.

If the matter needs further attention, the following lines should be followed:

**Stage Coordinators** – contact Miss Balloot (K – 2) or Mr Reitmans (3 – 6) regarding more complex matters not resolved at a teacher level. This may include teaching, learning or behaviour matters in the playground, classroom or school bus.

**Head of the Junior School/ Deputy Head of the Junior School** – contact Miss Harold or Mrs Stevenson for matters of a more serious nature that haven't or can't be resolved by Stage Coordinators

We are here to help. Please don't hesitate to make contact if we can be of assistance to your family throughout the year.

## **Reminders**

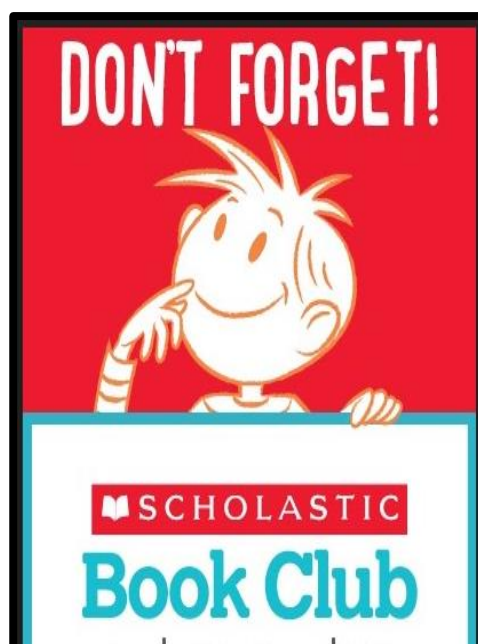

**Uniform** - Students must wear full summer uniform throughout Term 1. If you are unsure of the correct uniform, please see your child's diary.

**Late arrivals** – The school day commences at 8.30am sharp. The carline gates close at 8.30am each morning. Please ensure your child arrives at school no later than 8.30am, otherwise they may be marked as 'late'. Ongoing lateness may result in a formal attendance meeting with a member of the Junior School Executive team.

**Toilet break; during class** – Please have a chat with your child about the importance of using the school toilets during recess and lunch. Many students miss out on valuable learning time as they are out of class throughout the day using the toilets. Please note that toilets are locked during class time and students need to collect the key from the junior office.

**Add the Sentral Parent Portal to your phone!** – All College communication will be shared with families via this app.

## Scholastic Book Club

### **ORDERS DUE ONLINE by 20th February**

Bellfield College supports Scholastic Bookclub and encourages reading for pleasure. Students will receive Bookclub brochures throughout the term.

**All orders are online only.** The Book Club **LOOP** platform allows you to pay by credit card. Your child's books are delivered directly to school. You can place your child's order at [scholastic.com.au/LOOP](http://scholastic.com.au/LOOP) or using the LOOP app, which can be downloaded from the App Store or Google Play.

Each order helps to earn free books and teaching materials for our College, however there is no obligation to order. I know of no better way to encourage reading than to allow children to choose the books they want to read.

## Congratulations and farewell!

Late last year, we farewelled our much-loved Mrs Williams as she was successful at securing a teaching position with Sydney Catholic Schools. Mrs Williams was a valued staff member and coordinator who faithfully served the Bellfield community for many years, undertaking a variety of leadership roles. We are already missing her wonderful presence on campus but wish her the very best for a fruitful teaching and school leadership journey in her new school sector.

Please join me in congratulating Mrs Stevenson, Deputy Head of Junior School, on her recent promotion to a Head of Primary School position at an independent school in Southwest Sydney. After a rigorous recruitment process, Mrs Stevenson was successful at securing this well-deserved promotional position. Sadly, her last day with us at Bellfield will be on Friday 24th February 2023.

Mrs Stevenson brought a wealth of experience and expertise to her role as Deputy Head at Bellfield. During her two-year tenure at Bellfield, she was instrumental at improving, streamlining and aligning programming, assessment and reporting practices in the junior school. She played a key role in increasing student and staff accessibility to, and knowledge of, digital technologies, and quickly established herself as a highly regarded, respected and valued leader, mentor and colleague to our junior schoolteachers.

I could not have asked for a better Deputy to complement my own knowledge and experience, to co-lead Bellfield College Junior School. Mrs Stevenson will be sorely missed by our staff, parents and most importantly, our students. Her new school is incredibly blessed to be welcoming her to this senior executive position.

On behalf of Bellfield College, I wish Mrs Stevenson all the best in her new role and thank her for her tireless efforts, dedication, passion and commitment to the College over the last two years.

THANK  
YOU!  
for  
everything

I look forward to a wonderful year ahead.

Have a safe and restful weekend.

Warmest regards

Miss Harold

### **Student Representative Council (SRC) Role Outline**

The role of the SRC is to be the voice of the students, find out what students think, help make the school a better place for everyone, have an impact on decision making in the school, including teaching, learning and student behaviour.

The role of leadership is an important one and, if chosen, SRC members will be accepting a position of considerable responsibility. Therefore, the candidates carefully selected to be student leaders at Bellfield College must be responsible, diligent, hardworking and ready to represent the school at any given time.

SRC members will attend fortnightly meetings and leadership skill development excursions / incursions. They may also represent the Junior School at assemblies and assume other responsibilities in the absence of Executive Student Leaders.

They will act as a link between teachers and students, so they must be an excellent communicator.

SRC members will work toward bringing about positive changes in the school. They should strive to:

- Build relationships and community school spirit- E.g., Lunchtime activities, peer support tutoring, mediation.
- Respond to student concerns and needs – E.g., Supporting students to speak up, solving conflict, reporting to students, tackling racism, bullying and other forms of discrimination.
- Bring about change in the school and wider community, E.g., Student action teams act to make change.

SRC members will be a role model for other students and will be expected to uphold school rules to a very high standard in their behaviour, attitude to work and appearance.

I, \_\_\_\_\_, of class \_\_\_\_\_ nominate myself for the role of grade \_\_\_\_\_ SRC member.

**I have read and understand the SRC Role outline and believe I am able to fulfill the role.**

*Teacher endorsement* – I agree that this student would be able to fulfill the role of grade \_\_\_\_\_ SRC member.

\_\_\_\_\_  
(Teacher signature / date)

*Parent endorsement* – I agree that my child would be able to fulfill the role of grade \_\_\_\_\_ member.

Parent Information  
Evening

Welcome to the NSW Premier's Reading Challenge 2023.

The Challenge aims to encourage a love of reading for leisure and pleasure in students, and to enable them to experience quality literature. It is not a competition but a challenge to each student to read, to read more and to read more widely. The Premier's Reading Challenge (PRC) is open to all NSW students in Kindergarten to Year 10.

Students can include any books read from the end of the 2022 challenge on their 2023 reading record.

The Challenge will open for students on the 27 February 2023 and close on Friday 18 August 2023.

Username and Passwords will be given to all students once the challenge is open and myself as well as the teaching team will be here to support all students through the challenge.

Kind regards,  
Ms Batoul Charafeddine  
Bellfield College Librarian.
