HEAD OF SENIOR SCHOOL MESSAGE

Assalamu Alaykum

Dearest Bellfield community,

We are most delighted to have commenced the 2023 academic year as we welcome back our students from Years 7-12.

It was pleasing to connect with the Bellfield community on the first day of school as Year 7 students joined their roll classes and met their teachers. Daily study routines at home and attendance are critical matters and your persistence with these will help students remain focused and prepared for school each day.

Family involvement, in the form of support with homework and academic progress, active monitoring of attendance and participation in College life can increase your child/ren's engagement and achievement at school. In order to assist students understand the importance and value of schooling, we encourage the early adoption of positive attendance habits for families and students.

Our Parent Information Evening in February is a compulsory event for parents and attendance is encouraged for at least one parent. The evening aims to involve parents in their child's journey at Bellfield College and provide communication regarding homework systems, Sentral parent portal tools, assessment and reporting procedures, and academic programs.

I hope to see you at our College and wish you all the best for 2023.

Sincere Regards,

Mrs Mouina Ramadan

Brother Mohamed Wehby

A MESSAGE FROM THE HEAD OF IHSAN

Dear Bellfield families,

Assalamu Alaykum,

Welcome back to our 2023 School year at Bellfield College. I pray you and your loved ones enjoyed a safe and blessed end of year break in peace and faith.

Time is wisdom – it flies by so quickly that it exceeds our attention, leaving us wondering, how did we even make it here? We have come a long way without even noticing!

The Qur'an pictures how our beautiful creation happens in measured stages way before we knew anything: "We created the human being from an extract of clay. Then we placed him/her as a drop of sperm, firmly fixed. Then We turned the sperm into a clot of blood, and of that clot We made an embryo; then We made out of that lump, bones, and clothed the bones with flesh. Then we developed another creation out of it. So blessed is God, the best of Creators." Qur'an 23: 12-14

God [Allah SWT] reveals these hidden stages to teach us that great things take time. There will always be more than what we see, and we will eventually look back to appreciate these extraordinary moments. Behind our creation and progress, we welcome God's Mercy, Intelligence, Love, Wisdom, Power and Knowledge. Behind our completion of 2022 and previous years at the College, there are special traces of God's Mercy, Knowledge and Power, which we have realised in our persistent efforts, academic achievements and character formation.

We are opening a new chapter in the enriching book of Bellfield College that is just as rewarding – we have the courage to step into the unknown with our tri-partnership vision. In the same way children can build an epic sandcastle, we can build our character as a living castle of virtues that withstands the test of time.

We look forward to an illuminating year of wisdom, faith and knowledge with our parents, staff and students, inshaAllah.

Warm regards,

Mohamed Wehby
Head of IHSAN

Year 7 Welcome

Asalaamu Alaykum Parents, Guardians and the Bellfield Community,

As the Year 7 advisor, I would like to extend a warm welcome to all of you. We are excited to have you join our community and are looking forward to working with you over the years. High school is an exciting and challenging time, and we are here to support Year 7 in their journey.

As the year advisor, I will be available to provide guidance and support throughout their high school experience. I will also be their primary point of contact for any questions or concerns that may arise.

We understand that the transition to high school can be overwhelming, but please know that we are here to support them every step of the way. Our dedicated faculty and staff are committed to helping Year 7 succeed both academically and personally.

You will find below some photos from the first week experiences of our Year 7 cohort. We are all looking forward to working together to make the high school experience a positive and successful one InshAllah (God Willing).

NSW GOVERNMENT

Naplan - Information for Parents

NAPLAN assesses the literacy and numeracy skills your child is already learning at school.

Teachers will ensure students are familiar with the format of the tests before the NAPLAN test window.

It is important to remember that NAPLAN is not about passing or failing, but about assessing learning progress.

The best approach for preparing your child for NAPLAN is to encourage your child to do the best they can on the day.

Your child's school is your first point of contact for questions about NAPLAN.

Disability adjustments

Adjustments are available for [students with disability](#). The adjustments should reflect the normal support a student receives in classroom assessments.

The first step is to discuss possible adjustments with your child's teacher. Parents need to provide their consent for any adjustments that are provided during NAPLAN.

Withdrawals and exemptions

You can withdraw your child from NAPLAN tests. Your child may be exempt from NAPLAN tests if they have:

- significant disabilities that severely limit their capacity to participate in the tests or
- a language background other than English and have recently arrived in Australia (less than a year before the tests).

Contact your child's school for further information about withdrawals and exemptions.

Tailored testing

Tailored testing provides a more precise assessment of students' performance in the areas of reading, conventions of language (spelling, grammar and punctuation) and numeracy by adapting to responses.

Students at each year level start with a similar set of questions. Depending on the number of questions they answered correctly, the next set of questions may be more, or less, difficult. Students should not be concerned if the questions are more difficult than expected.

A student's NAPLAN result is based on both the number and difficulty of questions the student answers correctly. A student who completes a more difficult set of questions is more likely to achieve a higher score (and a higher band placement).

Watch a video (3:06 length) to learn more about [tailored testing](#).

Public demonstration site

The [public demonstration site](#) is available for students, teachers and parents to familiarise themselves with the types of questions, tools and functions available for the NAPLAN tests. It includes demonstration tests for each NAPLAN year level, test domain and alternative tests for students with disability.

LEARNING MANAGEMENT SYSTEM

Parents have direct access to their child's learning modules and homework resources. You may access CANVAS through Sentral Parent Portal. Students have direct access to their class teachers through CANVAS class discussions, announcements, and email communication. Students access their CANVAS account by logging into GMAIL and clicking on the 'dot squares' located to the right, near settings.

PARENT COMMUNICATION

SENTRAL PARENT PORTAL

Students can access the portal using their school logon, which gives them access to their timetable, attendance history and reports. All parent notices are uploaded to the parent portal.

Good communication between parents and teachers has many benefits. When parents and teachers share information, children learn more and parents and teachers feel more supported. Good communication can help create positive feelings between teachers and parents. The Sentral parent portal allows you to monitor your child's progress in relation to well being, positive and negative school incidents. Teacher's record daily information in the well being section so that parents have ongoing and current information about their child. Parents can also access their child's reports, attendance and welfare details as well as updating family contact details.

If you have not yet accessed the parent portal please contact the College and request your access code for the parent portal.

How to download Sentral:

- You can access the portal here: <https://bellfield.sentral.com.au/portal>
- Please download the Sentral for Parents app from App Store or Google store. Enter the name of the college (Bellfield College) and
- Click 'Next'

HOW TO ADD AN ABSENCE ON SENTRAL

The Absences module allows the parent to communicate absence reasons to the school.

In Absences, you will need to select the Unexplained Absence – Requires Explanation item to confirm an existing absence.

We will send an sms notification of an absence if you have not entered the absence into Sentral and we ask that you **reply directly to the sms** with the reason. This message will update Sentral automatically and be linked to your child's profile. Please do not use these sms's to send notifications for other absences as the link is a one time use for the system and any further texts prior to the initial response will be unlinked and unverified.

ATTENDANCE PROCEDURES

The following is a summary of the procedures Bellfield College has in place to support students to ensure they meet attendance requirements including being at school on time.

It is expected that all students should be on the school grounds by the morning warning bell at 8.25am every school day.

First period lessons commence at 8.30am and all students must have their name marked as present during the first 5 minutes designated during period 1.

Any student arriving after 8.30am will be considered late to school and will need to attend the Senior Administration Office as soon as they arrive to school to be marked as present.

The school gate closes at 8.30am. After this time parents will need to physically access the Senior School front offices to personally sign their children in. Parents must provide a valid reason; this will be recorded as explained and unjustified late and a subsequent text message will be sent to the parent as a record of attendance. A valid reason may include;

- Appointment supported by a medical certificate or certificate of attendance

Lunchtime detentions are not negotiable and must be served by the student if issued. Failure to attend a detention due to absence will result in the issue of another one. If not absent from school and the student fails to attend the detention, parents will be called so that a suspension may be arranged for a breach of college rules and the suspension will be recorded against the student's name.

Please see below for the lunchtime detention and attendance flowcharts.

Why attendance matters

When your child misses school they miss important opportunities to:

Learn

Build friendships

Develop life skills

Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just...

they miss weeks per year

and years over their school life

1 day per **fortnight**

= **4** weeks
= Over **1** year missed

1 day per **week**

= **8** weeks
= Over **2.5** years missed

Senior Campus Protocols

Suspension

An immediate suspension will be given to a student who: swears at a teacher, engages in physical fighting, violence directed toward a person, steals from someone or engages in immoral behaviour. Other behaviours may also result in suspension and may include vandalism, high level bullying, an ongoing accumulation of issues and an inability to demonstrate improved behaviour.

Students Late to Class

Students late to class will receive a Lunchtime Detention. Late to class can be defined simply as 'wrong place, wrong time'. If a student is late to class / truant an entire period they are marked as absent on the Sentral roll marking system. This is then followed up by the class teacher and the Head of Department the next day. Continued late to class / truancy may result in further action being taken.

Roll Call

Students must arrive prior to 8.30am and will attend period 1 class immediately after the morning bell (8.30am). Attendance rolls will be marked at the commencement of period 1 and throughout the day occurring at the beginning of each period. Students late to class will be issued with an 'on the spot' lunchtime detention.

Mobile phones

Our College is a student phone free zone.

Mobile phones **MUST** be placed in the school bag and switched off before entering school grounds. If seen, heard or used on school grounds devices will be confiscated immediately and held for two weeks. Please note that this also includes mobile phone devices such as AirPods and phone headsets. Other technology items including IPADS and Apple watches are also not permitted.

Students also have the option of handing in their mobile phone to the senior administration office each morning. Pick up occurs at 3.20pm, not earlier.

Lunchtime Detentions

Your child may receive an on-the-spot lunchtime detention for reasons including but not limited to:

- Late to class
- Out of Uniform
- Non completion of class work

If a student is absent from school when the detention is served, then he/she will have to serve it on another day and families will be notified accordingly.

Failure to attend the detention may result in a suspension as this is considered a serious breach of college rules.

Travel Policy

Please ensure that prior to booking any holidays during term time, that you seek approval from the college.

We only allow 10 school days leave maximum during a calendar year.

Any families who are in breach of our travel policy will have their enrolment terminated.

Year 11 and 12 students will not be granted leave during term time.

Homework

Homework is sent home every night. Please contact your child's class teacher if you have any questions.

The Main Types of Homework are:

- Practice Exercises – providing students with the opportunities to apply new knowledge, or review, revise and reinforce newly acquired skills
- Preparatory Homework – providing opportunities for students to gain background information on a unit of study so that they are better prepared for future lessons
- Extension & Research Assignments – encouraging students to pursue knowledge individually
- Revision and consolidation – reading over class notes, applying information and organisation or reformatting notes

Private Buses

Students travelling to and from school via private buses should use the footpath along the front driveway. When leaving school, students must use the Junior crossing and the student exit pedestrian gate.

Withdrawing from the College

If you are withdrawing a student from the College, please be advised that **10 weeks' notice is required**

If you do not provide the College 10 school weeks' notice of withdrawing from the college, a term's fees will be charged to your account.

Afternoon Pickup and Morning Drop off

Kiss and Drop

If travelling to and from school by car, pick up and drop off is strictly via the school car line zone. Car line may be accessed through the Junior school gate, follow the road through to the senior school library and wait in your car for your child. Children must wait in front of the library until mum or dad are seen to approach the library. Students are not permitted to wait along the grass area, nor should they be encouraged to cross carline to enter your vehicle.

- ALL students must be picked up from the car line.
- NO students will be permitted to exit to enter cars parked on the street.
- Gates will open at 2.45pm.
- Please join the car line. No cars will be permitted to make a right turn to enter the car line.
- ALL cars must exit the driveway and turn left ONLY. Right turn and U-turns will not be permitted.
- Students will be lined up in family groups during afternoon pick up to allow for faster access.
- Please be respectful and courteous to our staff as they are only doing their job.

Sick Bay

Illness at School

Students who are sick during the school day should:

1. See a teacher for written permission to go to the sick bay.
2. Present themselves promptly to the senior administration office.
3. Follow instructions from the administrative staff politely.
4. Stay at school until the administrative staff have contacted parents.

- Students must not telephone parents to arrange for their parent/guardian to collect them. This will be done by the office staff.
- The sick bay is used for a short time only and students will be monitored by the senior school administration officer. If the problem persists parents or caregivers will be contacted. For serious problems, parents or caregivers will be contacted immediately and for very serious cases medical help will be sought.
- It is extremely important that the medical information in each student's file is accurate.

If there is a change in your child's health status, the school MUST be notified. For students who are on medication parents are required to complete a 'Prescribed Medication' form explaining the nature of the medication and give clear guidelines for administering the medication. This form is available from the front office. Prescribed medications must be distributed from the office.
